

Harvest

Festival

at Milton Country Park

It might have been a wet year but there are plenty of seeds, nuts and fruits to see in the park, it's been a big year for young birds as well especially the park's swans.

Why not join us at 3pm on Saturday 30th August at the Visitor Centre to help us celebrate, we will sing give thanks and make a blessing on a walk around part of the park. No need to book just come along, donations to help maintain the park are welcome. Why not bring a gift from nature to leave in the park for the animals and birds to enjoy.
