# FAQ

**Q:** Do I have to stay with my children?

**A:** Under 8s must have a responsible adult present at all times. Older children may be left but the adult who has booked the party must remain at all times & must have contact details for all children who have been left unattended.

**Q:** Are there toilets in the Wild Place?

**A:** No, unfortunately we do not have toilet facilities. When children need the toilet, it is the responsibility of the adults present (not the instructor) to take them to either the toilet block in the car park or the Cafe.

**Q:** Will the Instructor set up and serve the food and cake?

**A:** No, please can you serve any food you bring yourselves - the instructor(s) will be too busy ensuring that everything else is running smoothly and everyone is having a good time.

**Q:** What about dietary/medical/emotional needs?

**A:** It is the responsibility of the adult booking the party to inform the office of any needs of attendees. Our instructors will do their best to accommodate needs but must be informed ahead of time
